

## **Temporary Closure of Harbour (Coronavirus)**

At a meeting of the Trustees on Tuesday March 17th it was decided to close our drop-in centre with immediate effect, in the light of the very firm Government guidance. We took account of the risks posed to both our volunteers and our members from the continuation of our service.

We remain anxious to provide as much assistance as possible to the very vulnerable people who are our members. With that in mind we are donating foodstuffs from our storage unit to Northern Devon Foodbank.

Whilst our premises in Queen Street will be closed until further notice we will continue to monitor emails on [admin@harbourbideford.co.uk](mailto:admin@harbourbideford.co.uk)

Everyone at Harbour remains committed to supporting our members and are determined to reopen as soon as circumstances permit. To our supporters, who have generously provided us with funds over the years, please contact us by email please if you have collected money that you wish to donate.

These are difficult times for all of us, and whilst we struggle with the current crisis, whether it be self-isolation, closure of recreation, concern for loved ones, there are people out there who have looked to Harbour as a place of community.

We will do our best to support them as much as we can and are confident at a time like this local people will look out for those less fortunate than themselves.
